**GUIDELINES REGARDING EDUCATIONAL MATERIAL PRESENTED UNDER  
THE AUSPICES OF THE ACADEMY**

1. Use of Educational Material. Educational material with respect to which the Academy controls the copyright may not be reproduced, transcribed or used in any way for publication without the prior written approval of the Academy, provided, however, that members of the Academy may, on a limited basis, copy and distribute such material for purposes of consultation with colleagues or instruction of a small number of students. All questions regarding the application of this paragraph should be directed to the Secretary-Treasurer or the Executive Director. In appropriate instances, the Secretary-Treasurer may issue to a member a written confirmation that a proposed use of educational material is permissible under this paragraph.
