

CODING SEMINARS

BY
VERNELL ST. JOHN

Coding Questions? A consultant can provide you and your office staff with the answers to your coding and reimbursement dilemmas. Tailored to the needs of your state, the coding seminar will be presented by a certified coding expert who assists state and local societies, clinics, and residency programs with coding, reimbursement, and practice issues.

Vernell St. John, CPC, CDC is an experienced coding consultant employed by the American Academy of Dermatology Association since 1994. She is a member of the American Academy of Professional Coders, and the Professional Association of Health Care Office Managers. Certified as both a professional coder and a dermatology coder, she can assist you and your office staff with coding and reimbursement issues including:

- Documentation issues
- Proper use of CPT and ICD-9-CM codes
- Correctly filing of claims to Medicare and other carriers
- Claim denial messages
- Keep apprised of any new initiatives in Dermatology

CORRECT CODING IS VITAL TO THE HEALTH OF YOUR PRACTICE
