An applicant who has exhibited must complete the review process only if there has been a material change in circumstances relating to its company (e.g., a change in ownership, control, or legal status) or in the nature, name, composition, products, labeling, or regulatory status of the products and services to be exhibited. Applicants who have exhibited at a previous Academy Meetings can submit their application online at

Exhibitors shall not exhibit any products or services other than those included in their Space Application/ Contract or approved in writing by the Academy.

Successfully completing the Exhibit Review Process does not guarantee that you will be assigned booth space. The Academy meetings consistently sell out of exhibit space and maintains waiting lists. After January 2, 2019, exhibit space is assigned on a first come first serve basis.

New for the summer meeting, you will be asked to create a personalized password.
