

Teledermatology Getting Started Guide

NAVIGATING POTENTIAL LEGAL CONCERNS

Legal

- _____ Review state telemedicine law
- _____ Clarify the modality, practice model, and patient populations (including expectations for turnaround time, escalation/coordination of care, online prescribing) you will be working with.
- _____ Contact your liability carrier and legal department to discuss your use of telemedicine (mentioned above) and associated risk.
- _____ Clarify your role within your healthcare system/practice (e.g. independent contractor, employee, etc.) and meet with your legal department to discuss your telemedicine practice plan.
