

Egyptian Society of Aesthetic Dermatology (ESAD)

Session Title: Challenging hair cases: Pearls and pitfalls

Learning Objective 1: Analyzing challenging hair cases regarding their diagnosis & management.

Learning Objective 2: Defining extra lines of treatment that can help in improving our therapeutic outcome.

Learning Objective 3: Discussing pitfalls that can downgrade our results.

Session Description: The session will include Egyptian, American & Polish speakers who are experts in hair & scalp disorders. Each will provide a 10-15 mins talk about his/her experience in challenging hair cases providing their experience regarding diagnosis & management.

Furthermore personal pitfalls & pearls will be openly discussed to improve therapeutic outcomes for such cases. Dermoscopic evaluations will be also discussed.
