

FREQUENTLY ASKED QUESTIONS

MIPS 205: HIV/AIDS: Sexually Transmitted Disease Screening for Chlamydia, Gonorrhea, and Syphilis FAQs

Is this measure reportable via claims?

No.

Will I still get credit if the patient refuses the exam?

Yes, you will receive credit if refusal is documented.

Does a patient need to come in within 90 days after every visit?

No. The measure is reported once during the performance period on patients seen twice, 90 days apart during the performance period.

What if a patient does not show up to their second appointment?

Document the following if the patient did not show up for their appointment:

- Date of their missed appointment
- Patient did not show up to the appointment
- For extra caution, document that the patient was contacted about missing their appointment
