ASSOCIATE MEMBERSHIP CRITERIA

The following policies have been adopted to assist the Membership Committee with implementation of the Associate category of membership.

The Bylaws define “Associate” in Article III, Section 2(a) (c) Associate. Any physician in good standing who is a resident of the United States of America or Canada, who has had three years of full-time experience in practice of, or as a teacher or graduate student of, dermatology, and who has had training which qualifies him or her for the examination of the American Board of Dermatology, the American Osteopathic Board of Dermatology or the examination in dermatology of the Royal College of Physicians and Surgeons of Canada, shall be eligible to be an Associate…

Associates
For purposes of Section 2(a)
The Associate Membership criteria is interpreted to mean being eligible to sit for the examination, or having once been eligible to sit for the examination of the American Board of Dermatology, American Osteopathic Board of Dermatology or by the Royal College of Physicians and Surgeons of Canada.

The loss of Associate Membership or eligibility for Associate Membership may occur as a result of disciplinary action by the relevant specialty board or governing state licensing board. If so, the Academy may take parallel disciplinary action in accordance with the procedures set forth in the Academy’s administrative regulations.
